REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior art of record fails to show or fairly suggest a casino gambling system set forth in independent claims 52, 58, 64, 69 and 74. Specifically, the casino gambling system comprises a server computer; a plurality of casino gambling units; and a cashier computer; the cashier computer comprises a cashier controller that is programmed to generate a first prompt to a person to cause the person to present a unique physical characteristic of the person to the biometric input apparatus at a first time, store a first set of digital data derived from the biometric input apparatus in response to the person presenting the unique physical characteristic to the biometric input apparatus at the first time, generate a second prompt to the person to present the same unique physical characteristic of the person to the biometric input apparatus at the second time, store a second set of digital data derived from the biometric input apparatus in response to the person presenting the unique physical characteristic to the biometric input apparatus at the second time, determine whether the biometric input apparatus has made a predetermined number of scans of the same unique physical characteristic of the person, and generate a set of composite digital data by determining an average of the first and second sets of digital data. The details of the server computer, the plurality of casino gambling units and the cashier computer included in the casino gambling system are recited in the independent claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
